

Directions to Keowee Anglers Summer Real Time Fishing Meetings Jocasse Room in the Activity Center at The Club at Keowee Key

Directions

From Seneca, take Route 130 North from Route 123 ByPass at BiLo and Ingles and follow it for 8.6 miles to the 2nd traffic light at the junction of Route 183 and Route 130 at Keowee Key. (Route 183 actually joined route 130 at the 1st traffic light.) Go straight at this second traffic light and in ½ mile, turn right into the South Entrance of Keowee Key and proceed to the Security gate left-most lane.

From Walhalla, take Route 183 East toward Duke Energy and Pickens. After crossing the 1st bridge over Lake Keowee, go 2/10 mile and turn left into the South Entrance of Keowee Key and proceed to the Security gate left-most lane.

Then, when you get to the South Entrance security gate:

1. Explain to the security guard that you are coming to the Keowee Anglers meeting in the Jocasse Room at the The Club. The guard will let you in.
2. After passing the security gate, check your odometer. You are now on South Flagship Drive. Follow South Flagship drive for 1.9 miles to the only rotary in Keowee Key.
3. At the rotary, take the first right onto Country Club Drive.
4. The building that you will see ahead on your left is the dining facility at the The Club. The building just to the right of it with the wooden deck around it is the Activity Center. Park.
5. Enter the Activity Center via the wooden bridge to the second floor on the left side of the building. Once you enter the building, the Jocasse Room is pretty much straight ahead.
