

## **Minutes for August 13, 2009 Keowee Anglers Board Meeting**

**Present:** Dave Goeckel, John Ishler, Larry Madden, Jim Muldoon, Pat Murphy (arrived late), Bill Walker, and John Wilson

**Absent:** Carl Davidson, Bob Skipp

### **Spouse Appreciation Night**

- John Ishler brought in documents to be used to announce the event, and Bill Walker took the action item to send them out to the membership.
- Deadline for submission is September 1 (we may be able to let some people in after that, but we need most of the people by that time so we can get a count for the evening)
- John is assembling recorded music and testing his system. He will record the music on a CD and Bill will bring his portable CD player as a backup in case there is a problem with John's system. (John, is The Club at Keowee Key going to set up their dance floor for us?)
- Jim Muldoon will send the names of the people attending from the registration slips to Pat Murphy who will generate name tags based on the names on the registration slips.
- Keowee Key members need to put their member numbers on the forms they submit to register, but will also have to sign prepared member charge slips at the event. (We need to get the names of the members and number of meals to Keowee Key in advance so that they can have the charge slips prepared.)

### **Keowee Anglers table at Newcomers**

- Larry Madden, on his own initiative, prepared a poster for use at these events, and the board voted unanimously to reimburse Larry for the cost. Larry gave the receipt to Jim Muldoon for processing.
- There was a very small Newcomer turnout for the August meeting, but we did get 7-8 people who are interested in attending the October class, which is our normal proportion of signups. No one signed up for membership on the spot. (Larry, please email Bill the information from the people who signed up so I can email them reminders and get confirmation of their attendance.)

### **New Member**

- John Ishler brought in a \$10 check for membership for Rick Stockman, and gave the check with new membership information to Jim Muldoon. John will go back to Rick for the other \$10 to complete the membership payment.
- Bill Walker will start immediately to include Rick in emails, so he will get the tournament announcement and the Spouse Appreciation evening announcement.

### **Tournaments**

- September tournament is in the process of registration. If we get enough people, we'll have it catered instead of going to Cheers.
- John Ishler has some new catering ideas that he will investigate and pass on to Bill.
- John provided Bill at the Board meeting the tournament signup information for him and for Rick Stockman.

### **Fishing on Lake Keowee Class**

- All logistics arrangements are made: room is reserved and projector is arranged.
- Bill reminded the Board that the class this year is the third Tuesday of October, as opposed to the second Tuesday that we have used in previous years.

### **Lake Sweep**

- The Fall Lake Sweep is September 19-27.
- John Wilson reported that we need one more boat captain, and he and Bob Skipp are looking.

### **Use of Cheers for Board Meetings**

- For this meeting we did not get our meeting room, but had to meet in the main dining room. It was noisy.
- Pat Murphy said he'd talk to Carl and have Carl talk to Cheers about it. If we can't get the back meeting room we need to consider meeting somewhere else less noisy.
