The discussion on the possibility of having a drawing for those who enter a certain number of tournaments with the prize being a Bass Max Charger if the donation by the manufacturer is still open was postponed until the next Board Meeting.

Discussion on Keowee Anglers' Starting Kit – Larry Madden

1) There was a review of the list of items to be furnished to new members and it was agreed that the entire procedure and assignments would be reviewed at our next Board Meeting as the Secretary and Treasurer who are key members of this process were not present.

New Business

We need to get an inventory of the Lure Covers as we feel we are running low and need to reorder. Maybe an order for new Keowee Anglers Caps may be in order as we have a good many new members.
